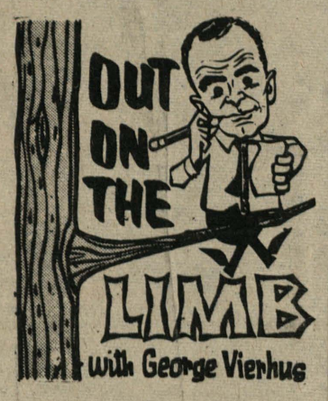
Vol. 75 No. 5 Wednesday, February 1, 1967



THERE IS PROBABLY something we should put in this column about your incoming president of the Campbell Chamber of Commerce.

But this is being written before the installation ceremonies that were held on Friday night, although you are reading it after the ceremonies have taken place.

As we write this we can only anticipate the gala annual affair which, for the first time in the local C. of C. history, was a complete sell-out.

In fact, Jim Duffield, C. of C. manager, was forced to turn down at least 20 last-minute reservations simply because there was no place to put 'em.

Your new C. of C. president, who also happens, in case you tuned in late, to be the writer of this column, will sincerely attempt to work for a better community in which to live and work.

That, incidentally, happens to be the same goal that this newspaper has, so the same starting blocks can be used.

-0-

THE RECORD made by our predecessor in office, Dick Hardy, vice-president of Ainsley Corporation, has been an outstanding one. It will be a difficult one to ever equal. Undoubtedly Dick has been one of the most sincere and one of the hardest working C. of C. presidents in this community's history.

And he has the accomplishments to show for his 18 months in office.

No individual, in our opinion, is more deserving of the honor of being named the "man-of-the-year" than Dick. And we are proud to add our congratulations again.

And we also think that Bill Lloyd, the president of Ainsley Corporation, deserves a special tribute for allowing Dick to devote as much time as he did to Chamber of Commerce activities.

Is there room, Jim, on that plaque that Dick received for Bill's name some place?

THERE IS A SORT of unwritten law in this newspaper, as well as almost every newspaper, that no unsigned "letters-to-the-editor" will be published.

If the letter writer desires, his name need not appear when the letter is published. But the newspaper must have it on file.

We earnestly solicit our readers to write letters. We sincerely believe that the "letters-to-the-editor" section could and should be developed into the real sounding board of the community.

As you can imagine, we do get a number of anonymous letters. Many of them are well-written and contain many pertinent points that should be aired. But we are firm in our ruling, as most people realize we must be, so the unsigned missives unfortunately generally

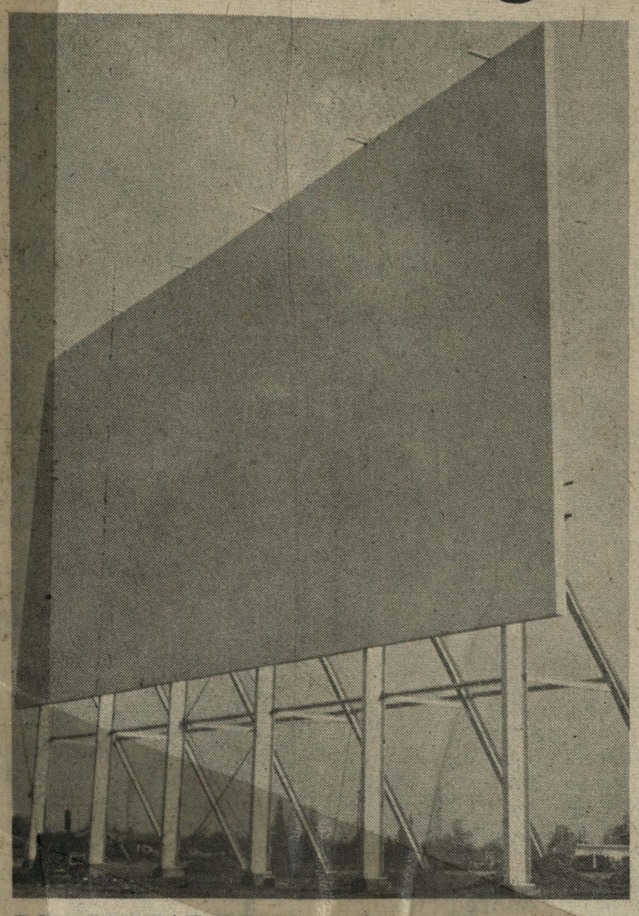
City might negotiate drive-in issue



DOUBLE-FEATURE??? --Owners of the almost completed drive-in theater off Union Ave., now under county jurisdiction, have indicated they plan to erect a second screen adjacent to the one pictured above. The court has ruled that Campbell controls the accesses to the theater. The theater people have suggested annexation to Campbell as a means to end the legal stalemate.

Indications were this week that Campbell city officials would be willing to discuss the possible annexation of property now under county jurisdiction on which the drive-in theater off Union Ave., owned by Syufy Enterprises, is located.

However, the theater owners would be asked to terminate construction activities of the proposed second screen during preliminary negotiations.

That was the gist of the action the City Council took in a special meeting last Friday afternoon. The meeting was called to discuss the latest overtures made by the Syufy Enterprises to resolve their differences with the city and possibly to end the litigation.

Present at the meeting were City Attorney Joe Bonacina and Dick Morton, special counsel. They handled the city's successful legal battle which resulted in a preliminary injunction specifying that accesses to the theater which are within the city limits of Campbell were part of the theater operation.

Campbell's zoning prohibits a drive-in theater. Thus the ruling in effect blocks patrons from attending shows at the virtually completed drive-in theater.

City Attorney Bonacina advised the City Council emphatically that the city could not be bound by the results of any negotiations.

The city attorney specified that before the annexation could take place, or a use permit issued and the necessary amendment made to the city's zoning ordinance, the regular procedure must be followed. This includes the filing of applications by the theater people and the holding of public hearings by the Planning Commission and City Council at which protests can be heard.

City officials have been particularly concerned over the second huge screen that the theater owners apparently have received permission from county authorities to erect adjacent to the first 85-foot high screen on the location.

During informal discussions regarding possible annexation of the property, city officials have indicated their vigorous opposition to a second screen.

GAVEL EXCHANGE--Dick Hardy (left), outgoing president of the Campbell Chamber of Commerce hands the gavel of office to George Vierhus, president for 1967, at the annual C. of C. installation dinner last Friday at Villa Felice attended by a capacity crowd.

MAN-OF-THE-YEAR--Dick Hardy, outgoing C. of C. president, received the man-of-the-year award from Harry Lind, vice-president of the Chamber of Commerce. The winner of the coveted award was not revealed until the final minutes of the annual installation dinner last Friday night (and barely then).

BEST IN STATE--Campbell High School won the "Sweepstakes Trophy" at the Speech and Debate Tournament sponsored by the University of San Francisco Saturday. Thirty-seven high schools in the state participated. Holding their individual trophies are (left to right) Terry Brink, Monty Hart, Leger Grindon and Walter Ritter, all seniors. The group won the Sweepstakes Trophy for their team effort and overall excellence. Mrs. Gail Long is the speech coach at Campbell High School.

Safeway held up

Saturday morning at the height of the mid-morning shopping hours, Don Stansfield, manager of Safeway Store in Campbell Plaza, Budd and Winchester, had a customer that he hopes won't come back.

At 10:40 a.m. Stansfield was "relieved" of over $300 in cash by a heavily-built man who cruised the aisles with a shopping cart until he located the manager stocking shelves in one of the aisles. Approaching Stansfield the "customer" first identified Stansfield as the manager and then stated that "he had a complaint to make".

The "customer" then revealed his true purpose by jamming a fist into a coat pocket, indicating he had a weapon, and announced that "This is a stick-up".

Next Monday night

Planners face rough agenda

Should a service station be approved at E. Parr and Winchester?

Should a use permit be granted the Campbell Union High School district for the former Nelson Bros. Hardware building at 275 E. Campbell?

Should they reverse their prior action in approving a used car lot at Alice and Winchester in face of the protests of Alice Ave. residents and the City Council's suggestion that the property be purchased by the city?

Should a mobile home park be approved at 275 Union Ave.?

Those are just some of the questions that hard-pressed Planning Commission members will try to answer next Monday night (Feb. 6) as they wade through their heavy agenda.

The commissioners will have their work cut out for them.

In addition, to those questions, the commissioners have six applications for sign approvals before them, a request for approval of plans for a four-unit apartment by George Coombs at LaVonne Dr. and Campbell Ave., and several zone change variance requests.

A proposed house moving ordinance will also be submitted to

For community progress

Many to participate in Campbell's first "Congress"

Representatives from every phase of community life, church, school, business, industry and government, will participate in the seven panels that will form the basis for Campbell's first "Congress for Community Progress" on Monday, Feb. 13, at the West Valley College.

Another feature of "Congress", one of the most ambitious civic projects ever undertaken here, will be the keynote speech of Congressman Charles Gubser, who is now in his eighth term in the U.S. House of Representatives.

Gubser will speak at the noon luncheon when the seven panels have completed their discussion.

Civic leaders maintain that the Congress represents the most outstanding all-out cooperative communitywide effort in this area's history to obtain the "grass roots" viewpoint of the citizens.

The steering committee for the Congress, headed by Larry Hill, general chairman; Dick Hardy, co-chairman and Bob Stephens, coordinator, report that almost 50 people are taking an active part in the organizing of the event. They appealed to the citizens of the community to attend, for it is to the benefit of the entire community. But only by attendance of a large group of interested citizens will any results materialize.

Registration for the Congress is scheduled for 8:30 a.m. preceding a general session when the objectives for the day will be outlined and panelists and others will be introduced.

One of the highlights of the general session will be the showing of a group of pictures by representatives of PG&E who have spent several days in the community "shooting" local scenes. The film is entitled, "A Stranger Looks at Campbell" and should prove enlightening to many residents.

The seven panels will then meet in the rooms that have been made available by West Valley College. The discussion areas were selected on the basis of the questionnaire that was recently distributed throughout the city.

Each panel will have a moderator who will be assisted by "experts" in the particular field of discussion. The panels include: traffic and transportation; youth opportunity; industrial and commercial development; health and welfare; Campbell's improved image; education; and local governmental services.

Those attending the Congress can "circulate" from one panel to another, it has been pointed out, or concentrate on a field of discussion in which they are particularly interested.

A secretary has been selected for each panel who will be responsible for recording the salient points under discussion. After the panel groups have adjourned for the lunch-

Editorial

Attend the "Congress"

Campbell's first "Congress for Community Progress", which will be held at the West Valley College on Monday, Feb. 13, promises to be the most outstanding event in this community's history.

The "Congress" will provide the citizens of the area an opportunity to learn of the problems that face the community and to discuss ways and means of solving them.

The success or failure of the "Congress", of course, will be measured by the number of people who attend.

We urge all of you who are interested in the community in which you live or work to attend the "Congress". We are certain you will find it worthwhile.

It is jointly sponsored by the Chamber of Commerce and the City of Campbell. Larry Hill, superintendent of the Campbell Union High School District, is general chairman; Dick Hardy, past-president of the C. of C. is co-chairman and Bob Stephens, city manager, is coordinator. More than 50 people are assisting them in organizing the program.

Much time and effort has been put into the planning and organizing of this ambitious undertaking. Members of the seven panels that will discuss specific problem areas have held study sessions in order to be better informed on the subjects that will be under fire.

Tremendous cooperation has been received from the schools in the district. Dr. Wallace Hall, president of West Valley College, has made many of the facilities of the college available and all in all it is a coordinated and cooperative effort of representatives of all segments of community life.

Church leaders are taking an active part in the "Congress" with the Rev. Ben Gould of the First Methodist; and the Rev. Kit Carson of St. Lawrence Episcopal and Father John Lally of St. Lucy's, taking leading roles in the day's activities.

Another major contributor to the success of the "Congress" is PG&E. Through Tom Ludcke, a community development consultant for PG&E, the utility firm, not only has assisted in the planning and organizing but will show pictures of various areas of Campbell which should be one of the highlights of the day.

These picture, aptly titled, "A Stranger Looks at Campbell", will give us all an opportunity to see our community as others see us.

They should be most revealing.

Congressman Charles Gubser will be the keynote speaker at the luncheon which will be served in the Campbell High School cafetorium. Congressman Gubser wholeheartedly supports the program for he recognizes its worth to the community.

But again we emphasize that the success of the "Congress" is dependent on attendance. No matter how well-planned and well-organized such programs are and no matter how hard civic leaders work in preparation, unless the people themselves take advantage of it, all efforts are wasted.

The theme for 1967 for the Campbell Chamber of Commerce is "Progress in Action" which, of course, could be the overall theme also for Campbell's first "Congress for Community Progress."

There are seven basic objectives of the Congress:

1. To unite segments of the community into a cooperative unit.

2. To promote community betterment programs.

3. To stimulate planning for community growth in recreational, industrial and commercial areas.

4. To educate the citizens on the economic status and the needs of the community.

5. To promote strength in commerce.

6. To assist the community in understanding the work and program of the Campbell Chamber of Commerce.

7. To create overall improvement.

Seven panels, each headed by a moderator and with experts and research people on hand, will discuss specific problems of the community, selected on the basis of a questionnaire that was distributed throughout the community some months ago.

These panels include; Campbell's improved image, the Rev. Ben Gould, moderator; youth opportunities, Bob Culp, moderator; industrial-commercial development, Emerson (Doc) Arends, moderator; health and welfare, Mrs. Helen Andres, moderator; traffic and transportation, Police Chief John Morgan, moderator; education, Bob Sorenson, moderator; local governmental services, Neal Royer, moderator.

If we sound enthusiastic about Campbell's first "Congress", it is because we are.

We firmly believe that by reaching the people by this method, the entire community will benefit because it will generate a spirit of enthusiasm for the positive factors of the community.

It will get the people better acquainted and will channel efforts into specific channels.

We agins urge you to attend, for we are certain it will be a rewarding experience.

BUT FRAN got a brand new twist on this letter-to-the-editor business recently when someone called and asked if she would accept a letter by phone. Fran's explanation of this paper's long-standing policy concerning signatures, and that at present the office was not equipped to get a signature via the phone probably did not go over too big with the caller.

But that's the way the telephone jangles.

COMING ACROSS our desk recently was the Bank of America's 1966 annual report, a 24-page impressive well-illustrated booklet.

We admit to Oscar Sorenson and Don Kennedy, the managers of the two local B of A branches, that we did not study the report too closely.

We did observe that the report, however, was graphically attractive which is more in our field than the billions and millions of $$$.

But we did verify something that, of course, we have known right along. The B of A is huge.

And Don and Oscar we also were, of course, happy to learn that our two-bit account seems to be in good hands. The mammoth financial institution continues to do right well fiscally (and physically, too), thank you.

-0-

OR TO PUT IT another way, as the news release reports, "Difficult as conditions were in 1966, Bank of America prospered."

And to those of you who might be stockholders, there was this reassuring note especially directed to you:

"We managed, despite the extraordinary pressures of the year, to adjust our policies in a timely manner"...

"As a result, we were able to maintain our over-all market penetration, increase earnings, and continue our long-term projects, both domestic and international.

The bank rang up record earnings of $113 million in 1966 and deposits rose to surpass $16.4 billion.

And that just ain't hay, mister.

RAINING CATS AND DOGS, we suppose, could be the trite way to describe the recent downpours but the city is having its problems with real cats and dogs with or without precipitation.

City Attorney Joe Bonacina for quite a spell now has been attempting to draft, at the request of the City Council, an ordinance "providing regulation of FELINE and other animals and fowls, and providing for impounding same..."

THE NEED FOR some sort of cat control stemmed from an intolerable situation that existed on Maple Ave. for years. A welfare recipient who lived by herself on the street owned, to use the term loosely, 20 or 30 cats that roamed in and around her house and yard and into the neighbors as well and at will.

Barbecuing in the back yards in the immediate area became a virtual impossibility, for, in addition, to the roaming cats unfortunately their owner had no provisions for sanitary facilities for the felines.

That neighborhood during the summer especially!!

Ugh!

-0-

THE CAT-OWNER was always uncooperative and, although the fire, police and health departments were sympathetic, more teeth were needed in existing ordinances for them to do anything about the situation.

The stickler that the city attorney discovered was just how many cats should be allowed in one household.

The cat-problem on Maple was eased recently when the occupant of the house was found ill. She was taken away by welfare officials and probably will never return to the house.

Police and humane society personnel had to collect all the cats that were around the house and yard.

They had quite a time, as you can imagine, with their nets swinging and cats howling.

They got most of 'em, we understand and hope.

There are other similar situations in other parts of the town, we understand.

Apparently now it's just trying to figure out just how many is too many.

-0-

ON THE DOG front, it is a different story.

The police department has been criticized for citing owners of dogs that were roaming around neighborhoods in violation to the leash laws.

Those cited complained that the resulting fine was out of proportion.

But the police were on the spot.

In every case, they claimed, they had first warned the dog-owners before citing them.

But when people who disliked having dogs run loose in their yards continued to complain, the police had no choice.

It's hard to win in any dog or cat fight.--This city knows!!

The luncheon meeting at which Rep. Gubser will speak will be held in the Campbell High School cafetorium and the reports from the seven panels will be made there also.

A registration fee of $1 will be charged for the Congress and the luncheon charge will be $2.

The Chamber of Commerce and the City of Campbell are joint sponsors of the Congress. Jim Duffield, manager of the C. of C., originated the idea for staging the Congress here and his suggestion met with the enthusiastic endorsement of the C. of C. directors and city officials.

them for their information.

A letter of resignation of Commissioner Harry A. Lee has also been submitted to the commission. Lee, a long-time member of the commission, served as chairman during the past year. Lee has cited the press of personal business as his basic reason for resigning.

The application for the service station has been submitted by the Saf-T-Way Development Co. The proposed station is in the general location that has not fared too well with either Los Gatos or Campbell in the past as far as getting approval is concerned.

The high school district plans to use the Nelson Bros. building offices and storage for the audio-visual and cafeteria departments. Fire department officials have frowned on such a use and the building department has also submitted recommendations.

When the proposed used car lot at Winchester and Alice of K.E. Norton won the prior approval of the commission, there were no protests from residents of Alice Ave. But at the council hearing on the matter, a delegation from the street appeared in protest and a petition bearing signatures of 44 residents on the street was presented. At the council meeting, a majority of the councilmen indicated that the possibility of the city purchasing the property should be explored because the size of the parcel limited its use.

Fred Sahadi, owner of plush apartments on Union Ave., has requested commission approval of a 113 space mobile home park on a 12-acre parcel off Union Ave. and adjacent to the drive-in theater that has been a point of controversy for a year.

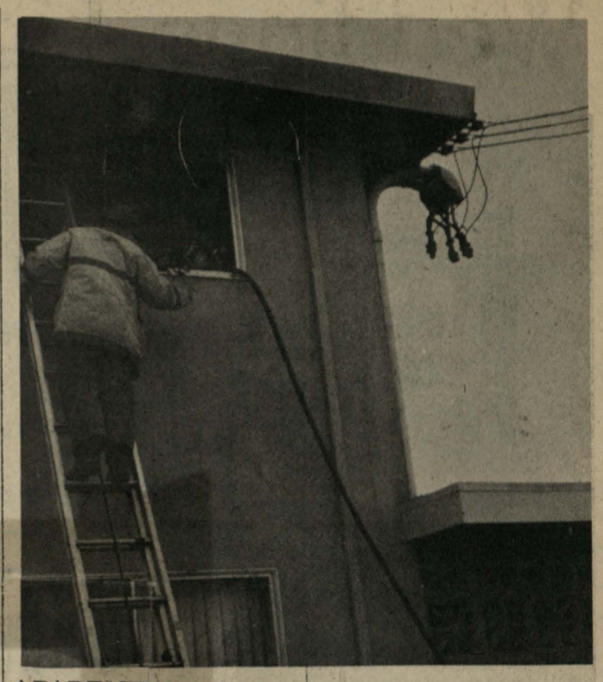
He then walked Stansfield to the cash booth which is located to the front of the store and kept locked at all times.

After unlocking the small office Stansfield was made to empty the safe and put the cash into a paper sack which the thief removed from his hip pocket.

And then to add insult to injury, the manager was made to carry the money out into the store, after which the robber relieved him of the loot and fled on foot into the parking lot where he was lost in the normally-heavy shopping crowd.

According to Police Chief John Morgan late Tuesday no further developments have taken place in apprehending the thief and there is no apparent tie-in with the Campbell store robbery and a series of similar hold-ups which took place in the near-by San Jose areas.

Stansfield, who took over as manager of the local Safeway store just two weeks ago, reported that it all happened so fast he didn't have time to be frightened, but he'd just as soon the incident was not repeated.



APARTMENT FIRE--The Aloha Apartments at 1845 S. Bascom was the scene for a fire last Wednesday morning, which destroyed the furnishings in the bedroom of the apartment occupied by Mr. and Mrs. Bill Tillotson. A cigarette was apparently the cause of the fire. Damage was estimated at $6000. Campbell Fire Department battled the fire and smoke for over an hour.

Dr Olds' son hit by mortar

Dr. and Mrs. Corwin Olds have received word that their son, Major James Olds, a Marine in Vietnam, has been injured in action.

Latest information available at press time is that Major Olds was hit in the foot and leg by a mortar shell and will be hospitalized in Vietnam. He expects to be returned to active duty. According to Dr. Olds, the Marine accompanying Major Olds was killed. Major Olds is Provost Marshal of the 3rd Marine Division in Vietnam.

Fence set-back may eliminate ped-lane hazard

Convinced that setting back the fence and sidewalk on the south side of Campbell Ave. at San Tomas Expressway will eliminate many of the traffic hazards for "red-lane" users at the intersection, the City Council has approved spending $400 for the job.

The action followed the recommendation of Bill Wren, public works director, who told the council that the owner of the property (from Virginia to the crosswalk at the expressway) had agreed to the set-back, provided the city would build a new fence.

Wren said that studies of the intersection, which is used heavily twice a day by school children, showed that the present fence acts as a "screen" for the right turn lane.

At the request of concerned parents in the area, the council recently directed that city crossing guards be placed at the intersection cross-walks during the traffic peak for school children.

County approval had to be obtained because the crosswalk is under county jurisdiction because of the expressway.

City officials were hopeful that the crossing guards would only be a temporary expedient in the over-all solving of the problem. Both city officials and residents expressed the hope that eventually a pedestrian overpass would be built.

The hope was also expressed, when the money for the fence was authorized, that this could eliminate the need for a crossing guard altogether which would offset the financial outlay for the fence.

Building slumps in city in 1966

Tight money apparently had an adverse effect on building activities in Campbell. During 1966 the valuation of the building permits issued by the city of the building permits issued by the city dropped $792,138.80 from the previous year during the 12-month period ending Dec. 31, 1966, according to the city building department.

In 1965, there were 277 building permits issued for a total of $4,677,945.30. In 1966 there were 322 permits for a total of $3,885,806.50.

Of the total permits last year, 66 were for single family dwellings for $1,076,495.25. Nine duplex permits totalled $213,830 and four multiple permits came to $256,050.

Commercial building permits totalled $1,208,946 and 11 industrial came to $354,030.

During the year there were 103 permits for alteration and additions for $355,195.25 and 37 demolition ones for $14,884.

During the year, 11 permits for swimming pools were issued for $36,200.

RAIN DROPS

Rainfall at 8 a.m. Tuesday morning totaled 15.32 inches in Campbell, with a total of 2.05 inches falling during the last week.

Normal rainfall at this date stands at 7.79 inches.

Last year on this date 10.27 inches had been recorded. Total rainfall last year was 12.03 inches.

According to the Campbell Water Company charts February is normally a rainy month, and another storm was apparently moving in at press time.

Weddings highlight social scene

MR. AND MRS. WILLARD GLENN REED

Roma Ann Nichols became the bride of Willard Glenn Nichols in the Church of Christ, 625 Casey Rd. in Campbell. The ceremony was read by Rev. Ellmore Johnson.

The bride is the daughter of Mr. and Mrs. A.J. Nichols of 1164 S. San Tomas Aquino Rd.

Roma Ann Nichols and Willard Glenn Reed became man and wife at a beautiful ceremony at the Church of Christ on Casey Rd. Rev. Ellmore Johnson was the officiating clergyman.

The bride is the daughter of Mr. and Mrs. A.J. Nichols of 1164 S. San Tomas Aquino Rd. in Campbell. Willard is the son of Mr. and Mrs. Shirley Reed of Oroville, Calif.

For her wedding day, Roma chose a gown of peau de soi alencon lace, styled with an empire bodice, A line skirt and three-quarter length sleeves. Her bonnet type veil of organza lace was held in place with a pearl trimmed headband. Her bouquet was white carnations and white roses, centered with an orchid.

Peggy Hatsell, a close friend of the bride, was maid of honor. She was attired in a floor-length gown of red velvet and carried a bouquet of red carnations. Maurice Rose stood with the bridegroom as the best man and Larry Nichols, brother of the bride, and Mike Sanders, were the ushers.

A reception for the newlyweds was held at the home of the bride's parents in Campbell. Following a wedding trip the young couple are making their home in Mountain View. Willard formerly attended Chico State College, Oregon State University and is presently a graduate student at Stanford University. He is employed by Lockheed in Palo Alto.

The bride is a graduate of Westmont High School.

MR. AND MRS. NORMAN CARR

MARRIED IN MICHIGAN--Mr. and Mrs. Norman Carr are pictured following their recent marriage in Wesley Methodist Church, Ironwood, Michigan. The bride is the former Phyllis Hulstrom of Ironwood. Norman, a graduate of Campbell High School, is the son of Mr. and Mrs. Lajoie L. Carr of 705 Budlawn Way, Campbell. He was inducted into the U.S. Army on Jan. 2. The newlyweds visited with his parents here following their marriage.

February will be busy month for Grange

Names of the chairmen of standing committees were announced by Worthy Master Werner Raab at the regular meeting of Orchard City Grange recently. A report from Sadie Proctor, chairman of the recent ham dinner, revealed that the affair was a huge success. Lecturer Ted Bohn presented a program of community singing led by Dorothy Tyson and Charles Carter. Accompanist was Nila Jones. Refreshments were served after the meeting.

Coming events announced were a "Dime-a-Dip" dinner on Feb. 14, proceeds to go to the "Youth of the Grange" for a trip to Cal Poly. Guests for the evening will be Brother and Sister Ivey, State Lecturers. A card party will be held on Saturday, Feb. 18, at 7:30 p.m. in the Grange Hall. All are welcome. Sister Zelia Martin will be chairman for the evening.

Artists' Guild meets Feb. 8

Dorathy Spangler, a Peninsula resident for 25 years, will be the guest of the Campbell Artists' Guild at the Feb. 8 meeting, 7:30 p.m., in the Americana Room of the American Savings and Loan Association, 1285 Lincoln Ave. She will give a demonstration in oils using a palette knife.

She has exhibited in many galleries in this area, also throughout the West and in Japan, and has many awards to her credit. All interested persons are invited to attend.

Story time at local library

Hey, Mom! Here's a Wednesday morning treat for your preschooler.

Campbell Library's having a story time, every Wednesday at 9:30 a.m. through March 15.

Groups are welcome too, but the children's librarian, Mrs. Joyce Vinson, would like them to call the library before planning to come.

Our Town

Celebrity Luncheon will feature three speakers

A sculptor, a book reviewer and a poet will be the three featured speakers at this year's Celebrity Luncheon to be presented on Saturday, Feb. 4, at Almaden Country Club.

The event is sponsored annually by the Santa Clara County Branch, National League of American Pen Women.

The speakers are Dr. Sasha S. Schnittman of San Jose, former director of the Triton Museum of Art in San Jose, who has had his sculpture exhibited in 28 museums and private collections in the United States and abroad; Lewis Langfeld, who started the program "Books and Authors" on television and Mrs. B. Jo Kinnick, a teacher in Oakland public schools, who is well known for her poetry, "Time Is The Stream."

Highlight of the luncheon will be the announcement of the 15 outstanding achievers in the field of creative arts for 1966. Each year Santa Clara County Branch selects the people whom they consider have contributed the most in the literary and artistic field.

A display of works by the feted 15 plus displays by branch members will also be included. Co-chairmen for the luncheon are Mmes. E.W. Shannon, branch vice-president and William Helms, both of San Jose. Reservations for the luncheon may be made by contacting Mrs. G.T. Martin at 293-3712.

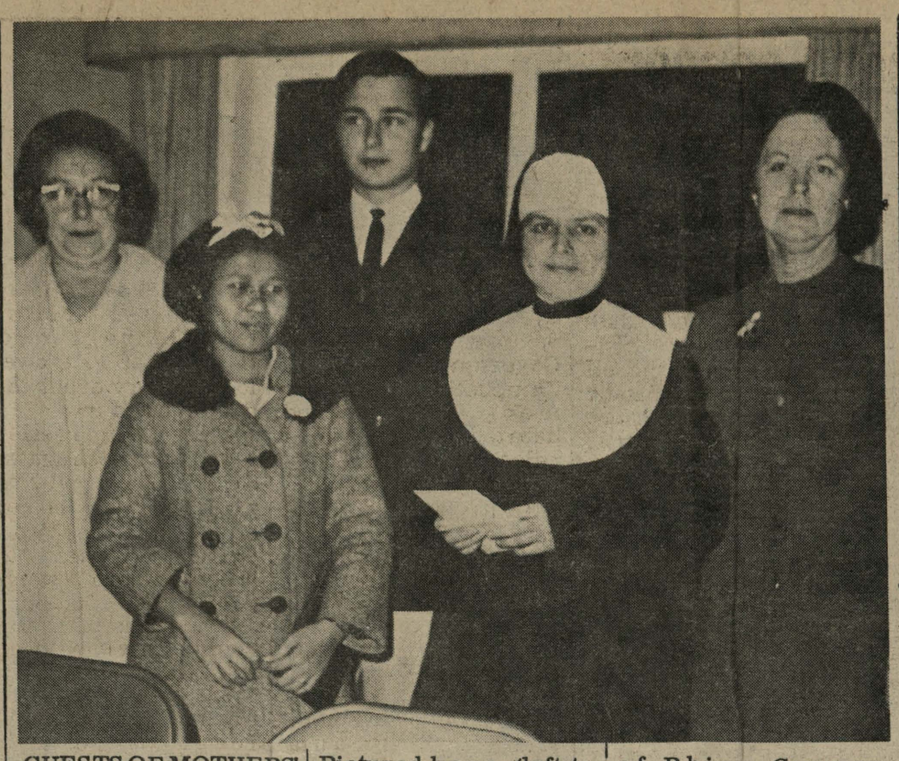
TELEPHONE BRIDGE --Country Woman's Club of Campbell hosted 19 tables of bridge Monday afternoon to raise funds for a nurse's scholarship donated by Loma Prieta District, California Federation of Women's Clubs. Telephone bridge was played simultaneously throughout the district. Some of the club women who participated in Monday's game were (left to right) Mesdames Ralph Hyde, R.L. Dodge and Hubert Combs.

AFS students speak to Mothers' Guild

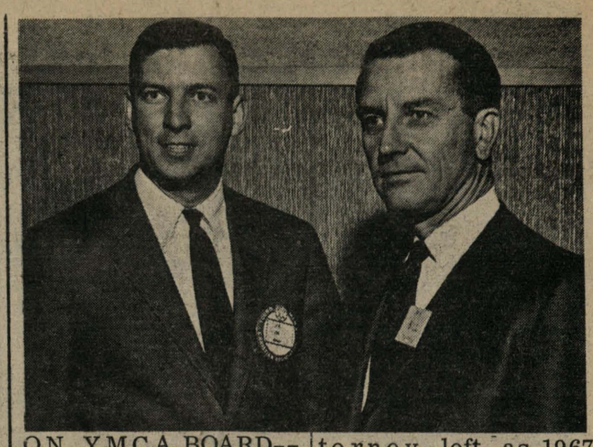
Two American Field Service foreign exchange students were the guest speakers at St. Lucy's Mothers' Guild January meeting. They were Rainer Sommer, 17, son of Mr. and Mrs. Hermann Molr of Lower Rhine, Germany, and Miss Rumpuong Phuksoogneon, 18, of Korat, Thailand. Rainer is a senior student at Campbell High School and Rumpuong attends Camden High School.

Both students have been "adopted" by families in the Campbell area. Rainer is living with Mr. and Mrs. Richard Angell of 363 Sunberry Dr. Rumpuong is the guest of the Clarence Billmaier family at 15146 Charmaron Ave., San Jose. The young speakers told about the differences in education and family in their homeland, compared to life in California.

After the meeting Rainer and Rumpuong were introduced to two other foreign exchange students, Miss Monica Pantoja Leite from Rio de Janeiro, Brazil and Joao Carlos Healy de Salles, also from Rio de Janeiro. Monica has been "adopted" by the Norbert Weslow family of 98 Carlyn Ave., Campbell, and Joao is living with Mr. and Mrs. Leo Petrucci 1011 N. Central Ave., San Jose.



GUESTS OF MOTHERS' GUILD--Two foreign exchange students were the guest speakers at a recent meeting of St. Lucy's Mothers' Guild. Pictured here (left to right) are Mrs. Loren Hillier, program chairman, Miss Rumpuong Phuksoogneon of Thailand, Rainer Sommer, of Rhine, Germany, Sister Lucy Julie, principal of St. Lucy's School, and Mrs. Daniel Wolf, president of St. Lucy's Mothers' Guild.



ON YMCA BOARD--Southwest YMCA, headquartered at 14790 S. Bascom, Los Gatos, has named James B. Baker, Campbell attorney, left, as 1967 secretary. William A. Parton, also of Campbell, is new board member.

BUCKNALL ELEMENTARY SCHOOL

"A Century in Retrospect" will be the topic of an address to be given by H.A. (Holly) Vollenweider at the Founders Day meeting of the Bucknall Elementary School P.T.A. next Tuesday, Feb. 7 at 7:30 p.m. Colored slides will accompany his presentation of 85 years of history of the Campbell-San Jose area.

An honorary life membership to P.T.A. will also be made to some deserving person from the community. Wes Coburn, a teacher at Bucknall and last years recipient of an honorary life membership will make the presentation and also give a short Founders Day message. All persons who have been presented life memberships from the Bucknall P.T.A., along with all past presidents and former principles of the school have been invited as special guests to the meeting.

The school band, directed by Roger Merrill will play several musical selections. The newly formed Bucknall Choir will also sing. Miss Polly Danielsen, a fifth grade teacher at the school is director of the choir.

Cub Scouts from Den 2, Pack 323 will present the colors for the flag salute to open the meeting. Mrs. Ernest Piunit is their leader. Refreshments will be served following the meeting and child care will be available.

BOHNETT SCHOOL

J. Bohnett Home and School Club will hold their meeting on Tuesday, Feb. 7 at 7:30 p.m. at the school. The business will include a report on the Christmas Bazaar, given by the ways and means chairman, Mrs. Victor Owen.

Of special interest will be the annual Spanish program. Color slides of Mexico will be shown, and refreshments will be Mexican pastries. Child care will be provided in Room 7.

Judge Rhodes will speak at YMCA

Municipal Judge Richard Rhodes will be speaker for the breakfast meeting tomorrow (Feb. 2) that will kick off the Southwest Branch YMCA's 1967 membership campaign.

The meeting will be held at 7:30 a.m. in Campbell First Methodist Church.

A total of 622 sustaining members is being sought by the Southwest "Y" to help continue its program of activities for the youth of the West Valley. This includes club and camp programs for boys from six through high school age.

Don Callahan, Campbell certified public accountant, who resides at 1479 Dentwood Ave., for the second consecutive year will be "ranch boss" for the campaign. The drive again will use the western roundup theme employed successfully in the past.

Aiding Callahan in the campaign will be a force of some 130 volunteers headed by six "range bosses."

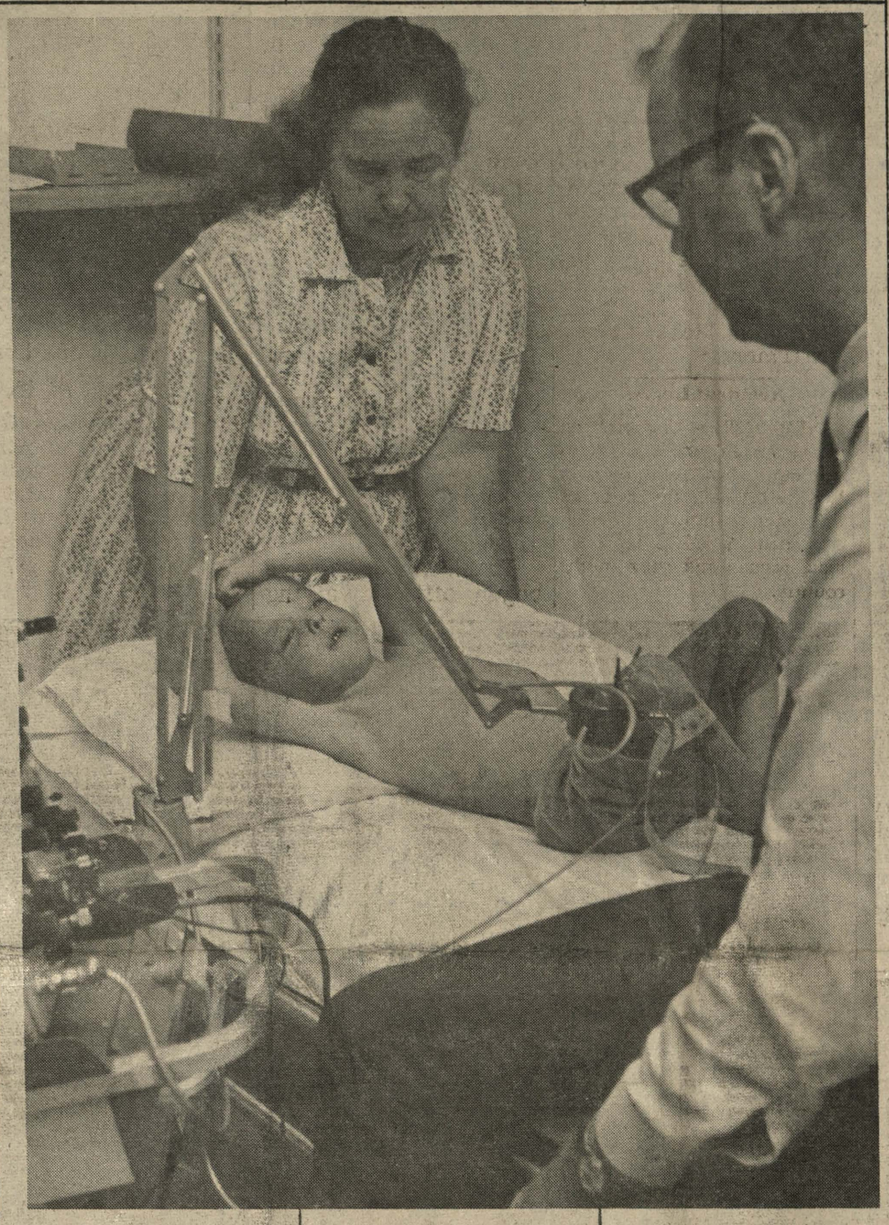
These include Campbell Fire Chief George Maxwell, Flying Y; Don Davies of Los Gatos, Crooked M; Ray Sturges of Cambrian Park, Lazy C; Al Cruver of Los Gatos, Straight A; Ernie Whittal of Saratoga, Eight Ball; and Don Rhinehart of Los Gatos, Double Bar S. The Southwest Branch is located at 14790 S. Bascom Ave., Los Gatos.

Kindergarten sign-up begins

Registration for an expected enrollment of 1500 kindergarten students for the 1967-68 school year began in the schools of Campbell Union District today (Wednesday, Feb. 1) at 9 a.m.

Children entering kindergarten in September of 1967 must have been born on or before Dec. 2, 1962, and state law requires that valid proof of birthdate be submitted at the time of registration.

Beginning students must complete polio immunization before school commences in September, and parents are strongly encouraged to obtain complete physical examinations for boys and girls before school begins.



MOTHERS' MARCH HELPS--Tiny electrodes of an electromyograph are inserted into knee muscles of Clyde Tuller, 5, of Campbell (3759 Xavier Ct.), to determine whether he reacts normally when muscle fibers receive electric stimulation. Test, watched by Clyde's mother, Mrs. Fay Tuller, and conducted by Dr. Paul B. Eckman, was given at March of Dimes Birth Defects Center, Stanford Medical Center, one of 77 across the nation. Clyde, who suffers from a bone disorder, has extreme pain and weakness in his legs.

Campbell High slates pops concert

FLUTE SOLOIST--Talented Michal Prettol will perform "Flight of the Bumblebee" as one of the special numbers in the Campbell High School annual Pops Concert, sponsored by the P.T.A. Friday and Saturday nights, Feb. 3 and 4. Tickets will be available at the door.

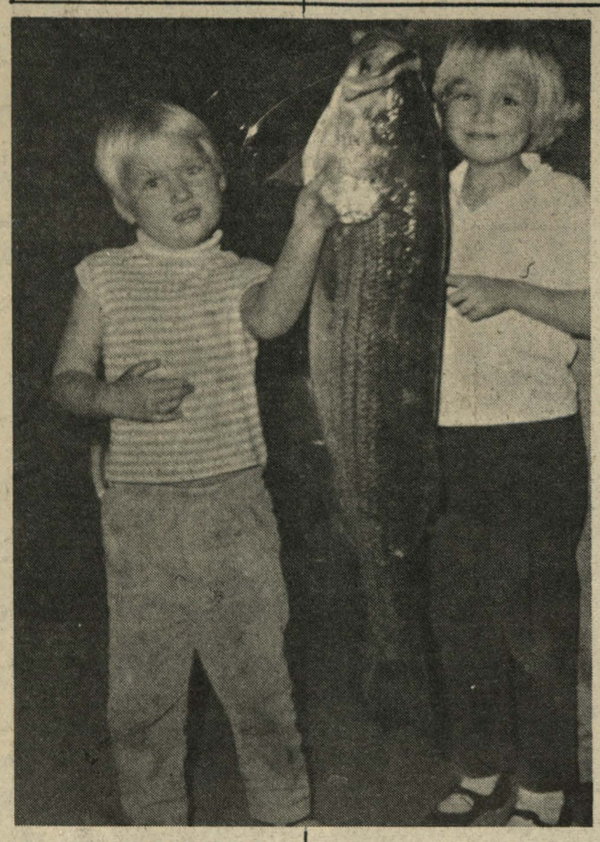
Program will have Latin American theme

There will be music to suit everyone's taste at the annual Pops concert of the Campbell High School Symphonic Band next Friday and Saturday evenings, Feb. 3 and 4 at 8 p.m.

The concert will be held in the school cafeteria, under the sponsorship of Campbell High School P.T.A. Refreshments will be served and tickets may be obtained at the door.

The band, under the direction of Bill Perkins, will present a program with a Latin American theme. Among the special numbers will be a flamenco guitar solo by Gary Antinelli, a tuba solo by Kent Smith and a flute solo "Flight of the Bumblebee" by Michal Prettol.

The Flag Girls and the Pirettes will also perform and the "Saints" the school dance band, will present two special numbers. Tickets are $1 for adults and 75 cents for children. Mr. and Mrs. John McDonal are chairmen.



FISH FOR DINNER--That's a 19 lb. striped bass that little Pamela Lynn Toney, age 4, and her sister, Donna Kay, 7 1/2 are displaying. It was caught by their father, Charles Ray Toney of 518 Rodeck Way, at Big Break on the Sacramento River. The bass measured 38 inches long.

Accident Losses

NEW YORK—The total cost of the nation's traffic accidents was more than $11 billion in 1965, according to the Insurance Information Institute. This is equivalent to $57.13 for every man, woman and child in the country.

Campbell Crier

by DAVE TURNER

After two weeks of studying the British system of government, Seniors in Comparative Government classes at Campbell High set up a mock Parliament and debated two questions relating to the problems Britain is presently having with Rhodesia. In addition to learning how our friends in England run their affairs, the students had a lot of fun dealing with other pertinent questions, such as, "Should we adopt a policy of non-recognition of Santa Claus?", after the Rhodesian questions were resolved.

This Friday and Saturday, Feb. 3 and 4, the Campbell Band presents its annual Pops Concert in the cafeteria at 8 p.m. Along with the concert band, the Flag Girls and Majorettes will perform, and the Pirettes will dance to the music of The Saints, Campbell's own stage band. Tickets will be available at the door.

SEMESTER ENDS

The first semester ended last Friday, Jan. 27, and Mrs. Marye Parker, Senior Counselor, warned seniors against falling into the traditional slump that seems to plague seniors the nearer they come to graduation.

Track workouts have begun, officially giving birth to the spring sports season. Meanwhile, the winter sports teams experienced their worst week yet, losing every event they participated in.

The varsity wrestlers lost their match against Saratoga by only two points, with the outcome being decided in the final match, the "unlimited" weight division. The Soph-Frosh basketball team couldn't seem to find itself as it lost to Del Mar and Blackford, suffering their first league losses of the year.

The Varsity hoopsters, plagued by a curious fate which bids them play well against good teams and poorly against the league's weaker teams, remains winless after six loop games.

The Bucs surprised themselves, their fans, and certainly the undefeated Dons on Tuesday, playing their best game of the year, only to succumb to Del Mar by a score of 87-64.

They lost to Blackford and Leigh also.

This Friday, Feb. 3, finds the hoopsters at Blackford seeking revenge, while the brave grapplers try their hands on the Buccaneer mats. The basketballers will host the Wildcats from Los Gatos next Tuesday afternoon, Feb. 7, at 3:30 p.m.

Moreland revises standards

At its last meeting, the Board of Trustees of the Moreland School District accepted the revision of the Standards of Achievements for all grade levels, Kindergarten through sixth grade. District teachers and administrative personnel were involved in the revision project.

According to John C. Wilbanks, director of administrative services, the Standards of Achievement is a representation of the district's goals for its teachers and pupils. They are the stated modules of excellence in teaching as well as for pupil achievement.

The goals are not spelled out for all subject areas but for related skills as well; such as, study skills, social skills and individual control.

While the Standards essentially represent the expected achievement level for each grade for most children, there is a built-in flexibility afforded for the child who has either sparce or abundant academic aptitude, Wilbanks reported. In this manner the child is evaluated against his own potential as well as with his age-group.

One of the added features to this revision is the inclusion of the physical and emotional development characteristics for each year for ages corresponding to grades kindergarten through eighth.

Warrior World

by RUSS LONG

One-half of the 1966-67 school year is over. With the coming of the spring semester, activities are already starting to be planned. For the seniors, the Senior Ball is just three weeks away. Juniors have a little longer wait until their Junior Prom, which is coming up in April. The Sophomore party is due some time in March or May, as is the Freshman skating party.

Scott Porter was elected to student body president for the Spring semester in last week's elections. Marianne Gregory, Dick Stephenson, and Winnie Yabe were elected to the three vacant student council seats.

Ten Westmont students will attend the Sixth Annual Health Careers Conference Feb. 4 at San Jose City College. The ten attending are: Candy Kaufmann, Virginia Howard, Judy Aronson, and Marcia Podd, sophomores; Winnie Yabe, junior; and Kerrie Eighme, Janet Jenkenson, Sam Pearson, Karen Enz, and Mary Audycki, seniors.

The third year German class is conducting a mock trial, all in German. Participants are JoLynn Baily, Mike Duffield, David Clark, Stuart McVay, and Corky Campisi. The trial will be conducted completely in German, and any English spoken will result in a contempt of court charge.

Making posters, serving as an officer, serving at tournaments, and participating in sales earned nearly 40 girls Pep Club service pins. Pep Club is the spirit club on campus, and also acts as a service organization.

The Warrior cage quint had bad luck last week, losing to Leigh by 40 points, and to Camden in overtime.

This week the Westmont five meet Los Gatos on Tuesday.

AIRCRAFT TRAINEE--Airman Brian P. Borg, son of Mr. and Mrs. Paul L. Borg of 368 Sunberry Dr., Campbell, has been selected for technical training at Amarillo AFB, Tex., as a U.S. Air Force aircraft maintenance specialist.

The airman recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Borg is a 1966 graduate of Campbell High School.

Campbell High hosts debate tournament

Los Gatos High School won first place and Cupertino High School was second in the recent "B" Debate Tournament held at Campbell High School.

There were 58 debate teams comprised of 116 students from 11 schools participating in the debate tournament, and 120 judges were on hand to make the final selections.

School participants were Campbell, Leigh, Camden, Saratoga, Pioneer, Sunnyvale, Los Altos, San Jose and Abraham Lincoln, in addition to the two winning schools.

The day-long competition took place on a Saturday, and was described by Robert Culp, Campbell High School principal, as "most successful."

IN VARIETY SHOW--A Mod time was had by Westmont High School students recently when "It's a Mod, Mod, Mod, World" was presented by the High-Jinks. Performing in the show were (left to right) Harold Sontag, Dean of Boys; Janis Walls, Debbie Strametz, Julie Gable, Tanya Walls, Mike Slavit, M.C. for the show, and Robert Brown, Freshman counselor.

SOCIAL SECURITY

Questions and Answers

Q. I was drawing social security benefits on my mother's earnings until I was 18. I then worked for a year and I am now planning to go back to school. Will I qualify for social security again?

A. Yes, if you are a full-time student under 22, and unmarried, you should get in touch with your Social Security Office and file an application.

Q. I hire a lady to do housework in my home but only pay her $5 a week. Am I required to pay social security taxes on the wages I pay her?

A. Yes. If you pay a person $50 cash, or more, in any calendar quarter, then the amount has to be reported for social security purposes.

Q. If I pay a domestic worker $40 per quarter in cash plus meals, do I have to report it?

A. No. Only cash wages count in the case of domestic employment.

Q. I have received a request from the Social Security Administration for the social security number, name, and address of an employee I know was included on my quarterly tax return. Why do I have to send this in a second time?

A. In all probability, the information you furnished the Social Security Administration on your quarterly report was either incomplete or the employee's name and social security number were not the same as shown on his social security account in the Social Security Administration records. The employer is responsible for seeing that each quarterly report shows the name and social security number exactly as it is shown on the employee's card.

WONDERFUL WISTERIA

One of the most beautiful and certainly the most vigorous of vines available to Californians is the wisteria. This wonderfully prolific climber can cover a country mile with its long panicles of bloom each spring, creating a picture that draws garden tourists from miles around simply to gawk and admire.

If plants could be described in human terms, the wisteria would have to be called voluptuous. The blooms of white, pink or lavender are up to a foot and more in length by several inches in diameter--the size of a large sugar-pine cone. The blooms are actually many blooms, being comprised of hundreds of little florets. One vine will cover the entire side of a house, producing thousands of these lovely panicles of color.

In time past, the wisteria (some claim it is properly spelled Wistaria, being named for the American glassware pioneer, Casper Wistar) was slow to establish and start blooming. Today, members of the California Association of Nurserymen offer grafted plants which have been grafted from prolific bloom wood. If you plant these so that the bud union is below ground level they will establish quickly and bloom at an early age.

One wonders how best to use the vigorous wisteria. In today's smaller gardens, it has been ignored occasionally in favor of more modest vines and this should not be. Wisteria has too much to offer to be ignored for long. It can be planted at one corner of a fence and trained along the fence top so that each spring its blooms cascade down. It can be planted at the corner of a house to be trained up and along an eave. The trick here is to hold the vine to a single stem, or at the most two stems by pruning out new canes each year. It can be trained up on a trellis to cover the entire sunny side of a home. Check with a C.A.N. member to see how he recommends using the wonderful wisteria. You'll be glad you did when the future blooms come of age.

MANY PLUMS

About 2000 varieties of plum have been grown successfully in the United States.

ON CAPITOL HILL

with "Charlie" Gubser

Along with most Members of Congress, I am anxious to support improvements in the Social Security System and increased benefits whenever possible. But we also have an obligation to protect the system from abuse and insure young people in today's work force that it will be solvent when they reach retirement age so they will be able to enjoy the benefits for which they have paid. In this spirit some honest questions must be asked about President Johnson's recent recommendations for increasing Social Security benefits.

On October 12, 1966, the President asked for an average increase of 10% in benefits. Just three months later he doubled the ante and asked for an average increase of 20%. In such a short period of time the balance in the Social Security trust fund has not improved to warrant the 100% increase in recommended benefits. And, in fact, nothing else has changed.

The President did ask for Social Security tax increases, but they will not pay for the liberalized benefits he recommended and the other demands which will shortly be made on the system. There is also the question of how far we can go in levying increased payroll taxes on today's workers before they become too great a burden.

In 1937 the Social Security System began with a 2% combined tax on the first $3000 of income. In 1955 it was up to 4% of $4200. Now the President has recommended 10% of $10,800 or $1080. This is more than twice the maximum tax of $580 which will be levied this year!

In 1937 plans called for a 6% tax on $3000 of income for the year 1967. Instead it will be 8.8% on $6600 for an increase of more than 300% above what was planned.

Originally the Social Security fund was supposed to take in $2.8 billion during 1967. It will actually take in $25.9 billion this year but will still fall $400 million behind. The trust fund was originally expected to hit $54 billion this year. It reached only $23 billion--less than one year's payout! So instead of being on a funded basis, Social Security is actually on a pay-as-you-go basis with no trust fund to earn interest and cushion revenue losses during periods of economic downturn.

Clearly more money must come from the paychecks of the U.S. working man and woman. The Tax Foundation estimates that a twenty-one year old working man who works forty-four years until he is sixty-five will have paid $32,496 in taxes and interest to the fund at today's tax levels. His normal life expectancy is thirteen years after he reaches sixty-five, during which time he will collect only $19,704 in benefits.

There is no doubt that an increase of 8% is possible without endangering the soundness of the Social Security System. I hope to vote for the largest increase the fund can afford. But the size of the increase can only be determined after frank recognition and serious study of fiscal reality! Future generations deserve no less.

Membership in the Campbell Chamber of Commerce is expected to hit a record high of 400, it was announced today by Lee Sicard, membership chairman, who heads a committee of 18.

Campbell Chamber of Commerce and the City of Campbell hope to establish a "partnership" arrangement in 1966 for the improvement of Campbell's industrial climate, according to city and C. of C. officials.

Campbell Fire Department was notified this week that it had won the grand award against competition from all cities in the U.S. in the National Fire Protection Association's 1965 fire prevention contest.

This afternoon (Wednesday) the Santa Clara County Planning Commission will receive a proposal for changing the name of the Santa Clara-Los Gatos Rd. to Winchester Blvd. The street is known as Winchester Rd. through Campbell and the various agencies involved have suggested that it be given one name.

Building permits issued by the City of Campbell in 1961 topped the previous year by the astronomical figure of $3,236,970, the office of urban development reported this week. The year set a new building record for the city.

Indications were this week that considerable opposition will develop to the suggestion made at a recent city Council meeting that the city-owned property on Rincon Ave. (near Virginia) purchased for a park site be converted into the city's corporation yard.

The Moreland School District as its first step in a civilian defense program will stage a full-scale disaster evacuation of its 1600 pupils from school to home probably in mid February, according to District officials.

Santa Clara County gained 39,000 residents last year, according to California Taxpayers' Association estimates.

Richard J. Salice, owner of the Aero Pharmacy on Winchester Rd. and practically a lifetime resident of the Campbell area, was sworn in as a member of the Planning Commission on Monday night.

15 YEARS AGO

Mrs. Gussie Baker, superintendent of the Moreland School District, announced this week that the district has recently purchased a ten-acre area as a site for a third school for the district. The site is located on the corner of San Tomas and Rincon and was bought for $24,000.

Louis Carboni, disaster council chairman for the Campbell Red Cross, announced today that the unit is standing by in the event that anticipated rainfall makes evacuation of the San Tomas area necessary for the third time in less than a week.

Reduction of dental cavities in teeth of school children of the Campbell area amounting to 60 per cent would be available with fluoridation of drinking water, according to a report made this week to the Campbell Kiwanis by Dr. Theodore Engdahl, San Jose dentist.

ATTEST: Jean Pullan, Clerk of the Board of Supervisors

PREVAILING WAGE RATES

Pursuant to the provisions of the Labor Code, the Board of Supervisors has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which the work is to be done to be as hereinafter set forth and more completely set forth in the specification documents sometimes referred to as Exhibit A.

Copies of all collective bargaining agreements relating to the work to be performed as set forth in the aforementioned Labor Code containing information relating to wages, fringe benefits, subsistence, and travel pay are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work --not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work--not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

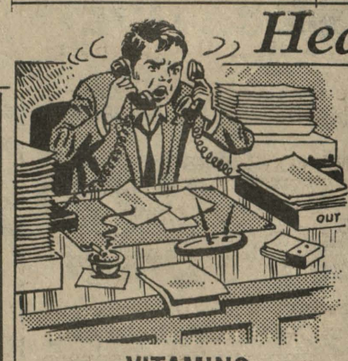
Health Hints



ULCERS

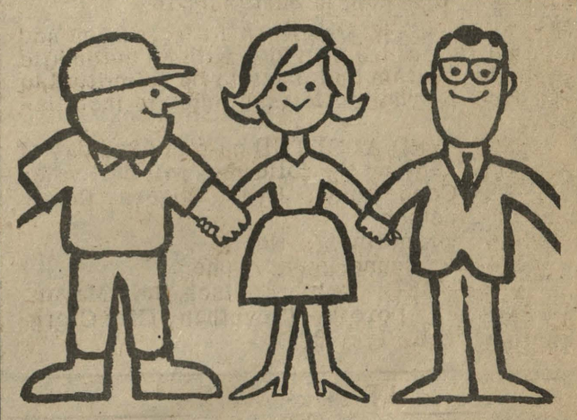
ARE YOU ALWAYS RUSHED? Worried? Under a lot of pressure? Then you're a likely candidate for stomach ulcer. To help avoid them, get sufficient sleep . . . eat slowly and select food judiciously. If you have problems, talk them over with someone instead of bottling them up inside. Above all, be good to yourself. Learn to relax . . . and be sure to take an annual vacation.

VITAMINS

WILL AN EXTRA intake of vitamins protect you from the common cold this fall? Generally speaking, the answer is no. While vitamins are essential to good nutrition, they play very little part in increasing resistance to colds. If you eat sensibly and enjoy good health, vitamin supplements are seldom necessary during any season of the year.

NOSEBLEEDS

HOW DO YOU STOP nosebleed? First, have the victim sit up. Then apply cold, wet towels over the face, nose, back of the head and neck. Keep the patient quiet. If bleeding is severe or prolonged, call a physician. If nosebleeds occur at frequent intervals, they may be symptoms of serious illness and therefore require professional investigation.



How America's red-white-and-blue collar workers help keep America strong.

In May 1941, top representatives of America's labor unions met with Henry Morgenthau, Jr., Secretary of the Treasury, and pledged their support of the Payroll Savings Plan for U.S. Savings Bonds.

Today, organized labor still endorses and actively supports the program. And the Payroll Savings Plan, just an experiment in 1941, now proudly boasts 8 million members, mostly union people, sharing a personal interest in their future and their country's.

With the Payroll Savings Plan, saving for the future is downright easy—and painless. How can you spend money you don't even see?

When you sign up, a small part of your money is tucked away every payday. Automatically. And starts earning you interest of 4.15% on every Bond you buy and hold to maturity.

Bonds grow quickly. So when you need the money for important, personal things, the money is right there—ready to help pay for them.

Important things like a new home, education, that dream vacation—or your retirement.

Most important, Bonds are helping our men in Vietnam.

Buy Bonds on the Payroll Savings Plan where you work and you'll find yourself in pretty good company. And dollars ahead.

OPENING SOON--The Sveden House Smorgasbord, at 1730 W. Campbell Ave. will be opening its doors within two weeks, it was reported last week by Lloyd Russell, of the Sveden House in San Jose.

Plans for a grand opening are scheduled, tentatively, for within two or three weeks, and the announcement will be made in this paper in time for everyone to plan to attend the gala event.

College board calls for bids for 35 relocatable classrooms

The Board of Trustees of West Valley College last week approved working drawings for 35 relocatable buildings to be erected on the temporary Campbell site, and authorized the secretary of the Board to call for bids on the plans and specifications for them.

The Board also referred the plans to the State Office of Construction and Architecture.

Estimated costs of the structures when fully completed range in the area of $700,000, and are expected to be ready for occupancy in August.

The Board also authorized Dr. Wallace W. Hall, Board secretary and college president, to formalize a resolution regarding the affect on West Valley College of proposed tuition fees and budget cuts at the University of California and the State College system.

The resolution, offered by Trustee Edward A. Panelli, will stress the "devastating effect" on West Valley College enrollment of tuition charges at the State College and university levels.

It is expected to point out that the new State administration in making the tuition and budget cut proposals "may have overlooked the problem that will result to the junior college system", which will "have to absorb thousands to students who will not be able to afford the tuition fees" for a variety of reasons.

In addition to the economic effect, at least two trustees, Jack Armstrong and Robert A. Sorensen, indicated they felt strongly about the "philosophical concept" of abandoning the 97-year-old "tuition free" status of the University of California.

The Board also appointed Trustees Dr. Edwin C. Browne and Donald E. Lindstrom as a two-man committee to meet with Dr. Hall and assist in preparation of evaluation instruments for measuring the general performance of the college.

Following a personnel session, the Board took the following actions:

1) Accepted the resignation of Miss Theresa L. Hetzner as typist clerk in the Student Personnel Office and appointed Miss Sharon Snowden to succeed her.

2) Appointed Miss Jackie Cole to a similar position in the Student Personnel Office.

3) Extended the contract of Steven W. Gilbert, an instructor in history, to include the 1967 spring semester.

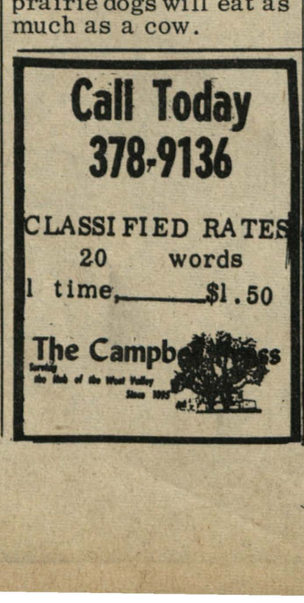
4) Increased to full time the teaching load of Mrs. Lillian Nerenberg as instructor in Political Science for the 1967 spring semester.

5) At her request, because of health reasons, reduced the teaching load of Mrs. Virginia Stump, as a counselor-teacher for the 1967 spring semester.

Alleen Cowdery promoted by Wells Fargo Bank

Alleen F. Cowdery has been promoted to operations officer at Wells Fargo Bank's Campbell office, Jack Payne, assistant vice-president and manager has announced.

Miss Cowdery joined the American Trust Company in Campbell in 1948, and she continued with the bank when it merged with Wells Fargo, marking sixteen years of service.



ALLEEN COWDERY

A native of Cortland, Ohio, she was graduated from Hartford High School and also attended Youngstown Business College. Miss Cowdery has been active with the Campbell Business and Professional Women's Club. She resides in Santa Clara.

Long distance rates now apply on more hours

Effective on Monday of this week, night rates for long distance calls between most California points will apply from 6 p.m. to 6 a.m. instead of 9 p.m. to 6 a.m., according to Lee Sicard, Pacific Telephone manager.

The rates, including both station-to-station and person-to-person, also will be in effect all day on Sundays and holidays.

Holidays on which the night rates also will apply include New Year's Day, Washington's birthday, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Most day rates will apply from 6 a.m. to 6 p.m. except on Sundays and holidays. Evening rates--which apply between 6 p.m. and 9 p.m. Monday through Saturday and all day Sunday from 4:30 a.m. to 9 p.m.--now will no longer be in effect, Sicard said.

The new rates were established last November by the California Public Utilities Commission.

ASSISTANT MANAGER --Leon Folsom has been appointed assistant manager of the Bank of America, Campbell Ave. branch, according to Don Kennedy, manager. Folsom takes the place of Oran Slaght who has been promoted to a district staff position in San Jose. Slaght had been assistant manager here since the branch was opened in 1962.

Folsom, who has been with the bank since 1954, recently completed the bank's executive training program. He now resides with his wife and two children in San Pablo and is currently seeking a place to live in the area.

Girl Scouts

NEIGHBORHOOD #15

A "Day In Court" for the Bucknall Juniors! Junior Troop 704, Bucknall School, under the leadership of Mrs. Raymond Webster, visited the Los Gatos Municipal Court on Thursday, Jan. 26. All 32 members of the troop were present and accounted for as Deputy Sheriff Jack Campbell explained the order in which things would take place and the courtesies paid to the presiding judge.

The girls were then ushered into the court room and seated until the rap of the bailiff's gavel as Judge Richard Rhodes entered the room and took his place at the bench. Judge Rhodes then proceeded to explain courtroom procedure to the girls. He spoke of civil suits and just what they consisted of, traffic court, and how one must be a lawyer for a minimum of five years before becoming a judge and that he was elected to the bench not appointed.

The Troop then toured the jury room, saw where the court reporter transcribes notes taken during an actual trial, the holding room, records library and the Judge's chambers. On completion of the tour, they returned to the courtroom for a question and answer period conducted by the bailiff.

It was a most informative and educational afternoon. Even though court was not actually in session, the Bucknall Juniors felt they had really had their "Day In Court".

College keeps getting bigger

Registration for West Valley College regular day and extended day students for the upcoming Spring semester is running some 25 per cent above the same period last year, according to Dr. Wallace W. Hall, college superintendent.

To date, 3035 day students have registered, and 1720 extended day or evening students have signed up, for a total of 4710 thus far.

On the same date last year, 2303 day students and 1417 extended day students had registered for a total of 3720, Dr. Hall said.

In 1964, a total of 3203 students registered. This number was reduced to 2852 at the first census count a month later and 2533 at the final count in December for a 21 per cent attrition.

In 1965, 5019 students registered, 4676 were on hand for the first census and 4094 for the second and final census, for an 18 per cent attrition.

With a new system adopted in 1966, only the actual number of students who showed up for the first class were counted. This figure was 6176 at the first count, 6069 at the second count, and 5428 at the final count, for a 12 per cent attrition.

From one-quarter to one-third of all regular day students "spill over" to the extended day, or evening program, because of lack of daytime facilities at the overcrowded temporary Campbell campus, another report reveals.

The Moreland District Little League will conduct its annual spring sign-up registration on Saturday, Feb. 4 and Saturday, Feb. 11 at Payne School Multipurpose Room at 9 a.m. until 2 p.m.

To be eligible, a boy must have reached his eighth birthday prior to July 31 of this year and not have attained 13 years before this date, and reside in the Moreland Little League district. Boys must be accompanied by a parent or legal guardian and present legal proof of birthday. All boys signing up will play ball.

For further information, please contact Bud Christianson, League President, 248-8533.

MR. SECRETARY--Don Kruse, owner-manager of Deacon Jones Chicken, in the Campbell Plaza, was elected to the office of Secretary of the Campbell Plaza Merchants Association. Don, a new member, and store owner took over his new duties Monday, Jan. 23, 1967 at a special meeting of the Member Merchants.

REACHING--George Vierhus, incoming president of the C. of C. (left) appears to be practicing his boarding-house reach at the Chamber of Commerce installation dinner last Friday night. His wife, Dorothy, seems to be enjoying the affair. That's Judge Richard W. (Dusty) Rhodes, installing officer, on the right.

College offers waiter's class

West Valley College in February will offer what may well be the only waiter-waitress college training program in the nation. This is being offered as a part of the college's highly successful Restaurant Management Program.

Thomas Devins, coordinator of the program, said that individuals desirous of becoming a competent waiter or waitress are eligible for the course.

Instructor will be Mrs. Eleanor Condon, credentialed in this area, and for seven years a teacher in a similar program in Orlando, Florida.

Purpose in creating the course, according to Devins, is the fact that "Unlimited Opportunity" exists for good waiters and waitresses, and opportunity for advancement to head waiters, hostesses and even assistant managers of good restaurants.

Further, he said, reports from the California State Employment service office in San Jose indicate that competent waiters and waitresses are in short supply in this area.

The Waiter-Waitress Training Program will consist of an eight-week course beginning Feb. 7 with classes on Tuesdays and Thursdays from 7 to 9:30 p.m., to be held in the San Jose City Hall Cafeteria.
